PRE-K PROGRAM

The Pre-K class encourages socialization skills, as well as academic Kindergarten readiness. The Pre-K classroom is set up with educational centers that include emergent math, emergent reading and pre-writing. Group activities provide opportunities to make decisions, follow directions, assume responsibility, and work cooperatively. Each day we practice calendar skills with the date, reciting the days of the week and months of the year, counting our days, anticipating which number will come next and even counting backwards. Our daily themes and **STEAM** activities cover a wide variety of science, art and social studies topics.

Ratio: 2 Teachers to 16 children

Must be 5 years old by December 1, 2020

Please note that all classes run from September 8, 2020 to May 20, 2021.

Eagle's Wings Preschool follows West Ada traditional school calendar for all major holidays and breaks.

Tuition is divided into 9 equal payments starting in August, 2020.

* All classes are based on enrollment.
