

Monkeys Classroom

Pre-K Program

The Pre-K classroom is for 4 – 5 years old that will attend Kindergarten in September 2023.

As your child prepares for kindergarten and beyond, our pre-k classroom features lots of fun opportunities for learning and innovation to occur every day. Our Pre-K classroom features unlimited fun opportunities for learning and innovative play to occur every day. Special attention is given to designing a creative and engaging space that will encourage the children to explore and create. Early literacy skills that are introduced in this class include: alphabet knowledge, phonological awareness, writing or writing name, phonological memory and concept of print. Your little learner will begin recognizing patterns, identifying numerals and quantities, and gaining an understanding of basic addition and subtraction. They will become confident with concepts such as number sense, measurement, and spatiality. Our fun hands-on “Mad Science Mondays” offer an in-class discovery and exploration of scientific principles. Alongside their academic and physical growth, socio-emotional development is an essential part of your young learner’s journey. We will guide them on how to recognize their feelings, understand how their actions impact others, be patient, take turns, share toys, and much more.

Must be 4 years old by September 1, 2022

Please note that all classes run from September 6, 2022 to May 18, 2023.
